On July 16, 2007 at approximately 6:37 PM, Vallejo Police officers responded to an injury collision at the intersection of Florida St & El Dorado St involving a bicyclist. The driver of a faded maroon older Datsun/Nissan 280ZX was driving westbound on Florida St when a juvenile on a bicycle crossed through the intersection at El Dorado St. The vehicle broadsided the bicyclist sending the juvenile to the ground.

The driver stepped out of his car for a short while, then got back into his car and fled from the scene, westbound on Florida St.

Witnesses described the driver as a black male with a muscular build, wearing a royal blue shirt. A possible, partial, license plate starting with 5RDW. . . was also seen affixed to the car.

The juvenile was not wearing a helmet at the time of the collision and was transported to Children's Hospital in Oakland for treatment.

This collision is still under investigation. Anyone with information regarding this incident is asked to contact Officer Dan Acfalle at the Vallejo Police Department, Traffic Division, (707) 648-4329.
